

About DFDF

The Dubai Future District Fund (DFDF) is the evergreen venture fund of Dubai, anchored by the Dubai International Finance Center and the Dubai Future Foundation. The company's mission is to foster a thriving venture ecosystem in the region and boost venture capital availability to innovative funds and startups in Dubai and the region.

The fund deploys capital into Fund of Funds and makes direct investments into startups across two thematic pillars, Future of Finance and Future Economies. The company is headquartered in the United Arab Emirates with offices in Dubai International Financial Centre.
